12 APPLE FARM

- 12.1 Our site hosts Apple Farm – a platform which makes available a collection of opportunities. By completing opportunities, a participant may collect points called Apples, which are tracked using a decentralized points-based system on Etherlink, a Layer 2 rollup secured by the Tezos blockchain. The opportunities and specifications on how to take part in and complete them is published on an ongoing basis on our site. The opportunities are open as long as a program is ongoing and closes thereafter.
- 12.2 The platform uses blockchain APIs to track on-chain activity and allocate Apples to users for completing opportunities. The Apples are displayed on a real-time

public leaderboard on our site. The Apples have no intrinsic monetary value. We may decide at our discretion to award participants that take part in Apple Farm.

- 12.3 Our employees and their immediate family members (defined as spouses, domestic partners, parents, children, and siblings) may participate in Apple Farm opportunities. However, the total amount of Rewards any such individual may be rewarded during one Program cycle shall not exceed the equivalent of USD \$15,000. A Program is a period of time during which opportunities are open, typically lasting 3 months.

13 REWARDS

- 13.1 Apple Farm is divided into Programs. After each Program, we may decide to allocate rewards to participants who meet all eligibility criteria as communicated by us on our site under the FAQ section and also on any designated site maintained by us or our partner for claiming Rewards.
- 13.3 The distribution of rewards is entirely at our discretion. We may decide whether to distribute rewards or not.
- 13.4 We retain full discretion regarding the type, amount, and distribution of rewards, and we retain the right to cancel rewards at any time.
- 13.5 Rewards are subject to availability, and we reserve the right to substitute rewards with alternatives of equal or greater value. We disclaim any liability for changes to or withdrawal of rewards, and participants have no recourse if rewards are altered or unavailable.
- 13.6 Rewards may be distributed in cryptocurrency. Participants acknowledge that these rewards are subject to market fluctuations. We disclaim any liability for changes in the value of these tokens once they are distributed. Participants are responsible for complying with any applicable tax obligations related to receiving these rewards.
- 13.7 Any reward mechanics, settlement of rewards and distribution of rewards will be communicated in detail on our site. We reserve the right to update such information as we deem needed and at our full discretion.
- 13.8 From time to time, we may allocate non-transferable digital points (such as "applXTZ") as part of our Rewards system. These are cryptographically recorded units that function solely as internal representations of future eligibility to receive redeemable tokens (e.g. WXTZ), subject to:
- (i) time-based or linear vesting;
 - (ii) forfeiture of unvested amounts if redeemed early; and
 - (iii) tracking via third-party or linked platforms maintained by us or our partners.

applXTZ tokens are non-transferable, have no monetary value, and are not tradable or usable outside of the Apple Farm platform. They serve exclusively as indicators of potential future rewards, subject to our discretion.

14 OUR RIGHTS AND OBLIGATIONS

- 15.2 You and we both agree that the courts of England and Wales will have exclusive jurisdiction to settle any difference or dispute or claim (including non-contractual differences or disputes or claims) arising out of or in connection with these terms or their subject matter or formation.
